

THE RIDGE GOLF COURSE

JULY / AUGUST 09

A MONTH OF FIRSTS AT THE RIDGE

THE WAIT IS OVER

After much anticipation, the Ridge Golf Course opened for its first round of golf on Saturday 30 May at 6.40am. Although the rain persisted it didn't dampen the keenness of golfers to try Sydney's latest course. The first to experience the nine hole course was a group consisting of Barden Ridge resident, Bob Goss with Paul Gordon, Terry Oakes and Chris Meakins. "For a first weekend, (we have) nothing but praise for all holes. Great layout and character. Look forward to next round".

OPEN 7 DAYS A WEEK FROM 1 AUGUST 09

Our landscaping program is just about complete and we will be open 7 days a week from 1 August 09. To book give our friendly team a call on 9541 4960.

THE NEW RIDGE TEAM

We are pleased to announce that our existing golf professionals will be taking on the operational management of the Ridge Golf Course and Driving Range from the 1st of August.

This will see the launch of a newly fitted pro shop stocking all the major brands, as well as a brand new fleet of electric golf carts. Some new initiatives for the facility will see the launch of The Ridge Social golf club as well as Game Improvement programs for all players and the continued development of the GOLFUN junior program. Stay tuned for some more exciting news in the up coming months.

OUR FIRST HOLE IN ONE

Congratulations to Kirrawee local, Nick Freeman for his double achievement. Not only did he make his first hole in one but it was the first at the new course. Nick, was delighted when his opening shot on the par three eight hole went in. Nick said "The new course here is great."
